

Greetings and Congratulations to the
Germantown Historic 300th Anniversary Steering Committee
And the Oktoberfest Planning Committee
For all the WONDERFUL work you have been doing!

Germantown Hose Co #1 is pleased to be among the contributors supporting the Oktoberfest, and we enthusiastically look forward to our participation in the Oktoberfest Weekend with Equipment and Fire Safety Demonstrations.

Our Chicken BBQ Committee has recently announced scheduled dates, the first Saturday of each October and May, for their annual Chicken/Ribs BBQ. Our October 2, 2010, Eat-in or Take-out event will run from 4-6 PM at the Firehouse, and as usual will be \$10 for Chicken and \$12 for Ribs.

Since our event coordinates with your scheduled seminar at the Reformed Church in Germantown, we are happy to offer BBQ tickets at the church, during your noon lunch break.

Come enjoy a delicious Chicken or Ribs BBQ dinner at the Firehouse, where reserved seating will be available at 5:30 pm for those attending from the Seminar. Share a meal with friends as you further your discussions about the Palatines, and meet our volunteer firefighters.

We hope our BBQ event will provide a great closing activity to your busy day! For additional information, please call me at 518-537-3930, or call the Firehouse at 518-537-6685.

For sure, there will be some "smoking good times" in our wonderful community these two weekends. For further information on all events from October 1-10, 2010 see www.germantownnyhistory.org or call 518-537-6687, ext. 308.
